For the avoidance of doubt no terms and conditions proposed on behalf of the Client shall be effective unless contained within a Proposal issued by SCI and agreed to in writing by both Parties.

2.2. The Services shall be performed in stages as outlined in the Proposal. Where at the conclusion of any stage it is deemed by SCI that additional work is necessary, SCI may amend the Proposal and resubmit it to the Client for acceptance of the amendment. If such amendment is not accepted by the Client, then either Party may terminate the Contract in accordance with either Clause 14.3 or Clause 14.6.

- 2.3. SCI will use reasonable care and skill in the performance of the Services in accordance with the Proposal.
- 2.4. All times, if any, for the provision of the Services whether written or verbal are estimates and no undertaking is given to carry out the Services or to despatch any Deliverables or Certificate within any specific period of time. Time of performance of the Services shall not be of the essence to the Contract.

The Fees are payable by the Client irrespective of whether or not SCI is prepared to issue a Certificate or only prepared to issue a Certificate subject to whatever conditions it considers appropriate. The Fees quoted in the Proposal are based on the information provided by the Client in the Application and assume that such information is complete and accurate and SCI may reasonably revise the Fees and the Client agrees to pay such additional Fees if it turns out that the information is inaccurate or incomplete.
- 3.2. The Client shall pay the Fees to SCI in accordance with the schedule of payments provided in the Proposal within 30 days from receipt by the Client of SCI's invoices.
- 3.3. All amounts payable to SCI under this Contract are exclusive of VAT and unless otherwise stated in the Proposal (or agreed in writing) all transactions shall be in Pounds Sterling.
- 3.4. All invoices shall be paid in full. In the event of an error or query on an invoice this should be notified by the Client to SCI without delay. A credit note will be issued to correct errors or omissions and payment of the corrected amount remains due 30 days after receipt by the Client of the original invoice.
- 3.5. SCI shall have the right to suspend all Services and to revoke, suspend or withdraw the Certificate should payments not be made to the

agreed schedule. Any adverse impact that this revocation, suspension or withdrawal has shall be the Client's sole responsibility.

- 3.6. If the Client fails to make any payment due to SCI under this Contract, without prejudice to any other right or remedy available to SCI, SCI may charge interest (both before and after any judgement) on the amount outstanding, on a daily basis at the rate of three per cent per annum above the London Interbank Offer Rate from time to time in force. That interest will be calculated from the date or last date for payment to the actual date of payment, both dates inclusive, and will be compounded quarterly.

4. ANNUAL FEE

- 4.1. To maintain the validity of the Certificate and the licence granted by SCI to the Client pursuant to Clause 9 an Annual Fee as set out in the Proposal is due on the Expiry Date and each subsequent anniversary. - 4.2. The Client must inform SCI in writing at least [90] days prior to the Expiry Date if it wishes the validity of the Certificate to be renewed on the next following Expiry Date. Failure to do so may mean that SCI is unable to complete the necessary Annual Review which could lead to the Certificate lapsing.
- 4.3. SCI reserves the right to levy additional Fees and the Client agrees to pay SCI for time reasonably spent by SCI assessing the impact of any new Background Information provided by

the Client pursuant to clauses 7.3 to 7.5 inclusive. SCI also reserves the right to levy additional Fees and the Client agrees to pay SCI for time reasonably spent by SCI assessing the impact of any change in applicable legislation, regulations and standards relevant to the Product.

- 5.2. The Client agrees that the award of a Certificate and the issue of any Deliverables and their format, content and, in the case of a Certificate, its ongoing validity are at the absolute discretion of SCI. - 16.4. **Waiver of rights:** If a Party fails to enforce, or delays in enforcing, an obligation of the other Party, or fails to exercise, or delays in exercising, a right under this Contract, that failure or delay will not affect its right to enforce that obligation or constitute a waiver of that right. Any waiver of any provision of this Contract will not, unless expressly stated to the contrary, constitute a waiver of that provision on a future occasion.
- 16.5. **Entire agreement:** This Contract constitutes the entire agreement between the Parties relating to its subject matter. Each Party acknowledges that it has not entered into this Contract on the basis of and does not place reliance upon any warranty, representation, statement, agreement or undertaking except those expressly set out in this Contract. However, this clause does not exclude any liability which either Party may have to the other (or any right

which either Party may have to rescind this Contract) in respect of any fraud.

- 16.6. **Formalities:** Each Party will take any action and execute any document reasonably required by the other Party to give effect to any of its rights under this Contract, or to enable their registration in any relevant territory provided the requesting Party pays the other Party's reasonable expenses.

- 16.10. **Governing law:** This Contract is governed by, and is to be construed in accordance with, English law. Subject to clause 16.11 the English Courts will have exclusive jurisdiction to deal with any dispute which has arisen or may arise out of, or in connection with, this Contract, except that either Party may bring proceedings for an injunction in any jurisdiction.
- 16.11. **Escalation:** If the Parties are unable to reach agreement on any issue concerning this Contract within 14 days after one Party has notified the other of that issue, they will refer the matter to a Director of each of the Parties in an attempt to resolve the issue within 14 days after the referral. Either Party may bring proceedings in accordance with clause 16.10 if the matter has not been resolved within that 14 day period, and either Party may apply to the court for an injunction whether or not any issue has been escalated under this clause.
